1. This annual award will be based on the academic performance of the 2008 team during the 2010-11 academic year (both semesters).
 2. Only varsity athletes who appear on the official eligibility roster during the soccer season are eligible in calculating the GPA. Certificates will be mailed in November 2011, and recipients will be recognized at the High School Coaches luncheon at the 2011 State Championship Game.
 3. All soccer players on the roster must be used in the calculation.
 4. A copy of the official varsity roster must be submitted with the application. The roster must include the coaches' names and the name, uniform number and year in school for each player. The roster is in addition to the list of team members on this application.
 5. Instructions for completing the application:
 - List all 2010-11 team members appearing on the official roster.
 - Calculate the team GPA by computing the total number of quality points (A=4, B=3, C=2, D=1, F=0) for all players and dividing by the total number of classes attempted by all players. Schools using a different grading scale must convert calculations to the 4.0 for submission.
 - The entire form must be completed to be eligible for consideration.
 - Schools that utilized a weighted GPA scale can and should use it in their calculation.
- NOTE: When a student-athlete is enrolled for only one of the two semesters, list and count him/her for that semester during which he or she was a full-time student.

All nominations MUST be postmarked by Oct. 21, 2011.

TO ENSURE ELIGIBILITY, SUBMIT BY THE OCT. 21 DEADLINE.

- IMPORTANT NOTES:**
- Head Coaches must be current members in good standing to be eligible.
 - Late, incomplete or incorrectly filed applications will not be considered or returned.
 - Faxed submissions will not be accepted.
